Advantage Value for Diabetes Benefit

State of Minnesota SEGIP Advantage Value for Diabetes Benefit

BlueCross/BlueShield of MN, HealthPartners and PreferredOne are the Health Plans for State SEGIP Program employees.

MTM claims should be submitted to the appropriate state health plan. Claims should be submitted using only the three approved MTMS CPT Codes: 99605, 99606, and 99607. The appropriate manner in which to use these codes is defined in the *UPlan Medication Therapy Management Defined Fee Structure*.

Below is a list of contacts you can reach out to for more detailed information on submitting claims for SEGIP program patients.
