

## **School Preference Questions**

This is a list of school preference questions to think about and answer prior to your discussion with Dr. Joe Nathan, director of the Center for School Change:

1. Have you decided where you are going to live?
2. Which of these are most important to you?
  - a. My child walks to school
  - b. My child attends a language immersion school (French, German, Spanish, Chinese)
  - c. My child attends a school that enrolls mostly middle/upper-income students
  - d. My child attends a Montessori public school
  - e. My child attends a Core Knowledge school
  - f. My child attends a school with racial diversity
  - g. My child attends a school with all day kindergarten
  - h. I'm okay with my child attending either a district or a charter public school (both are free public schools)
  - i. These are the other important considerations for me:
