

FY '21 Payroll Calendar

Office of Human Resources

Changes that will affect Payroll processing, such as W-4, MWR, Direct Deposit, and miscellaneous deduction requests, must be made online in MyU or be received in Payroll Services by the Wednesday prior to the pay date when the changes are to be applied.

Note: The I-9 must be completed before or on the employee's start date. If the I-9 is not completed, the employee may not work or earn until the employee has presented their valid documents. The Payroll Update form is used to make changes to employee pay after the Wednesday deadline but prior to confirming payroll. Payroll update changes are primarily done to prevent underpayment and overpayment. Changes to reported time should be entered on the timesheet prior to sending in the Payroll Update. For salaried pay, changes may be made to amounts and earnings codes.

Payroll requests received after the cutoff will be handled as time allows.
