## 24/7 TRAVEL ASSISTANCE SERVICES

As an employee, you and your dependents have access to our basic emergency services — but 'basic' is far from typical. In an emergency, we are committed to your protection and complete resolution of the situation. We place our experts as close to the heart of each challenge as possible.

### TRAVEL ASSISTANCE AND EVACUATION SERVICES

Call Redpoint to make use of these services.

- Medical professional locator services
- Telephonic interpretation services
- Assistance replacing medication
- Medical Evacuation (UPlan medical only)
- Return of dependent children and rental vehicle; coordination of pet return
- Arrange for transport of traveling companion
- Repatriation of mortal remains
- Transport to the nearest safe area for security emergencies
