University of Minnesota

Teaching/ Research
Tax Treaty Affidavit

For: Indonesia

Name_______________________________________________________

Tax Identification Number_______________________________________

I was a resident of Indonesia on the date of my arrival in the United States. I am not a U. S. citizen. I have not been lawfully accorded the privilege of residing permanently in the United States as an immigrant.

I have accepted an invitation by the University of Minnesota to come to the United States solely for the purpose of teaching or engaging in research at that educational institution.

I will receive compensation for my teaching and/or research activities.

The teaching and/or research compensation received during the entire tax year (or during the period from _______________ to ______________) for these activities qualifies for exemption from withholding of federal tax under the tax treaty between the United States and Indonesia.

I have not previously claimed an income tax exemption under that treaty for income received as a teacher or researcher before the date specified in the next paragraph.

I arrived in the United States on _____________________. (insert the date of your arrival into the United States before beginning the teaching or research services for which the exemption is claimed). The treaty exemption is available only for compensation received during a period of two years beginning on that date.

Any research I perform will be undertaken in the public interest and not primarily for the private benefit of a specific person or persons.

Under penalties of perjury, I certify that to the best of my knowledge, the above information is complete and accurate.
